

NOTICE of TITLE V PERMIT MODIFICATION

NOTICE IS HEREBY GIVEN THAT *Ace Cogeneration Company*, located within the Mojave Desert Air Quality Management District (MDAQMD) at 12801 S. Mariposa Street, Trona, California 93562, has applied for a Significant Modification of Federal Operating Permit (FOP) #50001051 pursuant to the provisions of MDAQMD Regulation XII. The applicant is an electric power and steam cogeneration facility.

Ace Cogeneration Company proposes to replace an existing diesel powered emergency use electrical generator at their facility with a new like unit. The proposed new diesel powered emergency use electrical generator will not cause a net emission increase at the facility and is expected to comply with all applicable District, State, and Federal Rules and Regulations. FOP #50001051 will be updated with all applicable federal requirements caused by the replacement.

REQUEST FOR COMMENTS: Interested persons are invited to submit written comments and/or other documents regarding the terms and conditions of the proposed Federal Operating Permit and the proposed modification. If you submit written comments, you may also request a public hearing on the proposed reissuance of the FOP. To be considered, comments, documents and requests for public hearing must be submitted to the MDAQMD no later than 5:00 P.M. on June 21, 2012 (or 30 days after the date of publication of this notice, whichever is later), Attention: Mr. Christian Anderson at the address listed below.

AVAILABILITY OF DOCUMENTS: Copies of the Proposed FOP, the Statement of Legal and Factual Basis, and other supporting documentation are available from the MDAQMD by mail or in person by contacting Mr. Christian Anderson, Mojave Desert Air Quality Management District, 14306 Park Avenue, Victorville, CA 92392, Phone: (760) 245-1661, extension 1846, Facsimile: (760) 245-2022.
